

Town of Rangely Community Outreach Program (COP)

We invite you to sign up for the Outreach Program sponsored by the Rangely Police Department. The program is an outreach to the community developed and utilized by agencies in many communities throughout Colorado to bring police officers into a non-enforcement environment together with interested citizens of our community. During this program the DA for the 9th judicial district, Jeff Cheney, will be participating along with the officers of the RPD to provide information related to policing in a small community. Content will consist of developing a basic understanding of the laws, their constitutional rights and the officer's duty to enforce the law while respecting the right of all free citizens.

Refreshments and light meals will be provided during the six week program held once a week during the evening on Thursday's from 7:00 pm to 9:00 pm.

The Goals are to:

1. Create an environment where citizens and officers can work together to better understand each other's concerns. During the program the District Attorney for the 9th District in Colorado and members of the Rangely Police Department will lead discussion on a number of topics as outlined in the Syllabus below.
2. Create a relaxed environment where two way communications can easily be achieved. This can be accomplished with information provided by members of the police department and active interaction by the community.
3. Create a method of working together to most effectively deal with crime and social issues.

If you have any questions please contact Chief Wilczek at the Rangely Police Department 970-675-8466.

You can pull up an application for the COP from the Town's Website, Facebook Page or stop by Town Hall and pick one up. The application deadline for the first class will be March 30th, 2018.
