1 – Agenda

GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified **Public Input** and **Public Hearing** portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. ***Announce your name*** so that your statements can be adequately captured in the meeting minutes.
 - ii. ***Please keep your comments to 3-5 minutes*** as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

5. **Minutes of Meeting**
 - a. *Discussion and Action to approve the minutes of May 14, 2019 – Motion made by Luke Geer to approve the minutes of May 14th, 2019, second by Matt Billgren. Motion passed*
6. **Petitions and Public Input** N/A
7. **Changes to the Agenda** - *Suspend the Supervisor Reports, and change 14a Committees*
8. **Public Hearings - 7:15pm** N/A
9. **Committee/Board Meetings** – *The AGNC meeting offered some good info. Andy Garcia, Executive Director of DOLA presented a plan under the governor. There were some concerns with the \$12 mil Severance from oil and gas revenues to go to Renewable Energy. The BLM director was concerned about the issue with the time it took to approve the OHV trail system due to that most is on the County Roads. She discussed about the Lake and BLM offered a resolution. BLM was very helpful with Jocylyn's planning her Gravel Grinder.*
10. **Reports From Council** – *The second meeting with the special districts was good. Most people want an economic marketing person in place to support all the special districts. Looking to combine many other services to streamline local service. For instance like an inhouse HVAC person to handle many business' needs. Not to replace Duceys or Praters but someone in-house for easy tasks. More questions surrounding the MILL levy and need to finalize what is needed by what date. July 1st is the next meeting for the community outreach. Lisa mentioned that they looked into a casino for the town. Seems the state would have to vote on approval on that, which is why, historically the town has gone through locals tribes for building one in our area. We can research further into the state side of things. Having good conversations and everyone is working well within a group.*

11. Supervisor Reports – See Attached *Suspended*

- a. *Jeff Lebleu*
- b. *Kelli Neiberger*

12. Reports from Officers – Town Manager Update – *Rangely was unsuccessful in their bid for the REDDI Grant; however, the USDA in Colorado has made plans to assist with programs and assistance in our economic development efforts. Lisa attended the CDOT meeting in Meeker this week. CDOT will be completing some major work to Douglas Pass, to fix and widen 139. CDOT has also included a CDOT poll regarding transportation plan. Andy Key suggested sharing letter on Town's facebook page. Lisa agreed. Ti has invited the community and council to participate in Narcan training. Group coming in from Steamboat Springs to teach participants how to use Narcan and identify when use is appropriate. Rangely Roundup is being sponsored by the Western Oil and Gas Commission and they are working our rock work starting June 21st. The Chevron Tree planting was a success and Matt said that Katherine (the organizer) was very happy with the participation turnout. 130 people from Rangely came to participate and it will be good to know that 500 shrubs were planted to reclaim this as a new public space. Matt/Chevron wanted to talk to town about contracting a watering plan for the newly planted shrubs. Lisa will talk to Janet and Jeff regarding watering. Keely at CNCC has invited the council to take a tour or a flight during the Aviation Road Show. Also wanted to ask council to consider sponsoring the day event as well as the council sponsor lunch estimated to be about \$2k. The Roundtable will invite others but more should go to the benefit. It's a good opportunity for networking. Roundtable is looking for Weekend Warriors to find in-town competent welders, manufactures, machinists to keep work local. All the summer hires are working. Lots to do in Rangely with road work, town flowers upkeep, and mosquito abatement. Aerial spray happening tomorrow night and golf course Thursday morning. Mosquito questions ensued: the cost to spray is about \$3,600 per aerial fogging. Sprays by river and up and down town as well as our fogging trucks that will spray by the park and other neighborhoods that receive complaints on mosquitos. Also, be putting mosquito abatement bricks in standing water to control larvae. There are no issues with the runoff in the river. FAA approves this before we spray. We cannot aerial spray outside of city limits due to owner concerns despite council thinking it would be effective. Matt said Chevron might be looking into spraying as the bugs are very bad there.*

13. Old Business – N/A

14. New Business

- a. *Discussion and action to appoint two Town Trustee's to each of the committee's listed below; Utilities, Finance, Public Safety, Development, Human Resources, Public Works, Rangely School Foundation – **Motion to change/update the committees as follows: Utilities - Trey and Tyson; Public Safety - Alisa and Luke; Human Resources and Finance (to be combined) - Andy K and Matt; and Rangely School Foundation - Andy S and Trey made by Andy Key, second by Matt Billgren. Motion passed***
- b. *Discussion and action to approve the May 2019 Check Register **Motion to approve the May 2019 check register made by Andy K and second by Tyson. Motion passed***
- c. *Discussion and action to approve Resolution 2019-03 which supports domestic energy and electricity production, mining, and agriculture within ou4 state and all of the corresponding benefits to the economy, our nation's security, financial well-being, and the health of our community –AGNC is in favor of this Resolution. The Town of Rangely to be included in the state filing to show support for National Resources, our livelihood. **Motion to approve Resolution 2019-03 supporting domestic energy and electricity, production, mining and agriculture within our state and all of the corresponding benefits to the economy our nation's security, financial well-being and the health of our community made by Andy K, Second by Tyson. Motion passed***

- d. Discussion and action to approve Resolution 2019-04 proclaiming that the month of July 2019 to be Senior's month and urge every resident to take time to acknowledge the older adults and people who service them as powerful and vital individuals who greatly contribute to our community. – Lisa Hatch approached Lisa with this idea to honor our aging population. Their drive and sacrifice to carve out a slice of life for us today and dedicate the month to the seniors as a way to partner with community. The TANK will have several events coming up for the seniors in the month, along with the Senior Picnic. The town also is advertising Rangely's WRV apartments with the Beacon Publication. We have White River Village for independent living, residents can then transfer to Eagle Crest for assisted care and finally move on to Swing Bed for long term care and hospice. Rare in such small towns to cater so fully to the aging population. **Motion made to approve Resolution 2019-04 proclaiming July 2019 to be Senior Month made by Andy Key, Second by Luke Geer, Motion passed.**
- e. Discussion and action to approve partnering with the Colorado Parks & Wildlife and the Rio Blanco Conservancy District on the education and outreach to harvest smallmouth Bass and Northern Pike for fish management on the lower White River Drainage. –Colorado Parks and Wildlife as that Rangely be a partner to advertise the invasive fish species here exchanged for a cash payment to the angler. CPW has agreed to pay \$20 per Northern Pike and Small Mouth Bass. Great way for our resident anglers to get some cash while helping our environment. **Motion to approve partnering with Colorado Parks and Wildlife and the Rio Blanco Conservancy District on the education and outreach of the invasive species in the White River made by Matt, Second by Andy Key. Motion passed.**

Town of Rangely Trustees:

It is with a heavy heart that I must resign from my position as Clerk with the Town of Rangely. It has been a pleasure to serve the great town of Rangely, the Board of Trustees, as well as Lisa Piering and the other great managers within the office these past six months.

I have very much enjoyed working alongside so many respected, intelligent, compassionate individuals and am happy to call many of them friends; as well as, getting better acquainted with the Town and its residents.

I had never been a Clerk before coming to Rangely. It was a learning curve to say the least; however, it gave me a more thorough picture of what public servants do. It was also humbling to see how many good people it takes to make a great town function so smoothly as Rangely does.

My background of fifteen years in accounting has been greatly missed by me these past few months and I feel that is very telling as to my purpose in a career. The adage, "Distance makes the heart grow fonder" is ever present in my daily life.

I very much appreciate the risk that Lisa and the board took on by hiring an unexperienced unknown from Denver, but you all have been excellent teachers, friends, professional confidants towards me right off the bat and for that I am eternally grateful.

As of this morning, I've been offered a full-time position with my part time accounting consulting firm and my last day with the Town of Rangely will be June 27, 2019. Please accept this as my formal resignation notice with a termination date of June 27, 2019.

Thank you kindly for all that you've provided me and my family. We look forward to continuing our active work in this great community for years to come!

Cheers,

Erica Eyer

9:00 – 11:00AM - Seaplane check-in and inspections, ANS awareness informal course (Alden)

11:00AM - Seaplanes depart for reservoir

11:00AM – 3:00PM - Seaplane demonstrations at reservoir

12:00PM – Presentation of seaplane from Carl Mattson (Have Carl hand over seaplane keys to CNCC.) Thank you presentation to follow

12:00PM – 1:30PM Lunch

3:00PM – Seaplanes depart for airport

3:30PM – 5:00PM - Safety seminar (I spoke with Rick Jeffs at the FAA in Salt Lake and they would be happy to set up a course for us.) My hope is this will bring in other landplanes in. Also, the Rangely airport and CNCC could host an open house mainly for kids, maybe use the CNCC simulators.

Lisa,

So they do a BBQ for the community out at the Reservoir. We are hoping to get sponsorship in the amount of \$500 from the County and the Town (for a total of \$1000). Below is a rough draft of the agenda for the day. Please let me know if you have any more questions.

Rangely Town Council

Dear Board Member,

I am writing you concerning a sponsorship opportunity with the Rangely Human Resource Community Resource Pantry. This organization is standing as a board governed by volunteers, food bank. We know that Moon Lake Electric, has a desire to give back to the local community, and we would greatly appreciate your support with our new adventure. We are designating a group of volunteers to run this food bank to provide for those on need, in Rangely. There is a challenge for those needing aid, to obtain food in our small town. We are asking for help paying the electrical costs. We have refrigerators and freezers running to keep the food items fresh. We found a building that will suit our needs at 743 East Main Street, in Rangely. As a startup non-profit, we are asking for a donation of \$500.00 for utilities.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ronnie Bilgren". The signature is written in dark ink and is positioned above the printed name and title.

Good afternoon Lisa,

As we discussed, on behalf of Alden and the Rio Blanco Water Conservancy District project team I would like to invite you (and your selected representatives for the Town of Rangely) to a meeting at the District Office at 8AM on Thursday, June 27.

This meeting should last approximately an hour.

1. Recreation Plan – including at the reservoir site and through Rangely on the White River
2. Initial discussions on Rangely's storage needs
3. Additional discussion items TBD

I will be out of the office until Tuesday, June 25, but I will be checking my phone and email periodically so please let me know if you can attend, whom we might expect and if you have any additional questions, etc.
