1 – Agenda

GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified **Public Input** and **Public Hearing** portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. ***Announce your name*** so that your statements can be adequately captured in the meeting minutes.
 - ii. ***Please keep your comments to 3-5 minutes*** as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

Reported that they have hired Lavon Block. Still need to hire a lieutenant. Completed Narcan Training and all officers are carrying Narcan. Helped with the sexually violent predator meeting, that person has left. Lavon Block introduced himself and gave a little back round on himself; moved here from Longmont where is was a Detention Specialist. Previous to that he was with the Rio Blanco Sheriff's Department for 5 years. He has 10 years of patrol experience. He likes small town life.
12. **Reports from Officers – Town Manager Update** – *National Night Out was August 6th, many people attended. We would like to Thank the State Patrol, Rangely Fire Department, Rangely Police Department, the Ambulance Crew/Staff, Dino Crushed Ice for the snow cones, Amorette Hawkins from the Library and Konnie Billgren. RE: Special Event Permit for Elk's Lodge liquor license special event permit during the Rock n Bull Rodeo

Date: August 13th, 2019

I have reviewed the application for Elk's Lodge liquor license during the Rock n Bull Rodeo. This event is held annually. There has been very few problems over the years involving liquor and this event. I recommend a special even permit be issued.

A handwritten signature in blue ink, appearing to read "T. B. Hamblin".

AWR 148 - Crisis Management for School-Based Incidents: Partnering Rural Law Enforcement, First Responders, and Local School Systems

Rangely, CO / September 20, 2019

AWR 148: Crisis Management for School-Based Incidents – Partnering Rural Law Enforcement, First Responders, and Local School Systems is an 8-hour, DHS-approved course designed to educate rural law enforcement personnel as well as school administrators and staff on the elements that would allow for an effective response to school-based emergencies. Schools in small, rural, and remote areas across the country account for almost 23 percent of the total student population (more than 11 million students). Rural schools, law enforcement, and other emergency responders are often limited in resources, so it is imperative that all potentially affected parties collaborate on planning, preparing, communicating, responding, and recovering from a school-based incident.

This **tuition-free** course is beneficial for rural police and sheriff departments, school administrators, school resource officers, counselors, and others involved in school safety and security. Topics covered include:

- Introduction to Incident Planning and Preparedness
- Proactive Threat Mitigation
- Incident Response
- Incident Recovery
- Vulnerability Assessments
- Threat Assessment Management
- Incident Defusing and Debriefing
- Parent Reunification
- Anniversaries, Memorials, “Copy-Cats”

*Please note all Non-U.S. citizens need to complete a DHS Foreign National Visitor Request Form by August 20, 2019 in order to attend this course. Contact John Kayser with any questions. Contact John Kayser with any questions.

FW: Uinta Basin Railway EIS - public comment period extension

SURFACE TRANSPORTATION BOARD NOTICE

STB Docket No. FD 36284

SEVEN COUNTY INFRASTRUCTURE COALITION—RAIL CONSTRUCTION
& OPERATION—IN UTAH, CARBON, DUCHESNE, AND UINTAH COUNTIES,
UTAH.

Decided: August 2, 2019

Notice of Extension of Comment Period for the Draft Scope of Study

The Surface Transportation Board's (Board) Office of Environmental Analysis (OEA) issued a Notice of Intent (NOI) to prepare an Environmental Impact Statement (EIS), a Draft Scope of Study, and a notice of scoping meetings in the above-captioned proceeding on June 19, 2019 and published it in the Federal Register on the same day. In the NOI, OEA invited public comments on the Draft Scope of Study, potential alternative routes for the proposed rail line, and environmental issues and concerns by August 3, 2019. OEA has received a number of requests for an extension of the comment period and is issuing this Notice to advise the public and all interested parties that the **comment period will be extended until September 3, 2019**. **No further extensions of time will be granted.**

OEA will issue a Final Scope of Study for the EIS after the close of the scoping comment period. Any comments previously submitted on the NOI and Draft Scope of Study need not be resubmitted.

Scoping comments may be submitted electronically on the Board-sponsored project website at www.uintabasinrailwayeis.com or the Board's website at www.stb.gov by clicking on the "E-FILING" link. Please refer to **Docket No. FD 36284** in all correspondence, including e- filings, addressed to the Board. Scoping comments are now due by **September 3, 2019**.

For additional information about the Board's environmental review process for this project, please visit the Board-sponsored project website at www.uintabasinrailwayeis.com.
