RANGELY BOARD OF TRUSTEES (TOWN COUNCIL)

Meeting of Tuesday, March 14th, 2023

*****6:00pm*****

Conference Room - Municipal Building
Gas Purchasing

1 – Agenda

GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified **Public Input** and **Public Hearing** portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. ***Announce your name*** so that your statements can be adequately captured in the meeting minutes.
 - ii. ***Please keep your comments to 3-5 minutes*** as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

12. **Supervisor Reports**
 - a. *Kelli Neiberger* – Kelli reported to the council that they are busy with snow and ice removal. They are also working on a remodel at White River Village. Kelli stated that they have a new employee that will be shared with Public Works. Kelli stated that she has been working on end of the year reports. CIRSA will be doing a records inspection on March 7th. Employee training will be later this spring. Kelli also addressed the gas billing for the month of January. She wanted everyone to know that the Town is working with people with payment arrangements. She also stated that the Gas Department will be hedging more gas in the future but wanted to remind everyone that the market will probably remain volatile for the next 2 years or so. Kelli said that the gas that was hedged for January 2023 was bought back in December of 2018 and it was too late to prepurchase more gas in January when the market price went high.

13. Reports from Officers – Town Manager Update – Lisa stated that everyone is working on ice removal. Lisa stated that Jeannie is working on marketing and the Hometown Hero banner project. The old sheriff's department remodel is going well. The Town is looking at grants.

Personnel Issues:

- Dispatch is still looking to fill a full time and part time position.

Notable issues:

- The Police Department held its 1 year anniversary of “Coffee with a Cop” with our biggest turn out ever. Our special guest was the Colorado State Patrol.
- Patrolman Hilton, Officer Burr, Officer Baker, and Officer Kilduff attended Reid Interview and Interrogation class in Rifle, Colorado.
- Received a quote from Central Square to upgrade out 911 phone lines and CAD/RMS system.
- Chief Hamblin assisted CNCC with their Hazard Vulnerability Assessment.
- The Police Department assisted Rangely Jr./ Sr. High School with their lock down drills. The school performed very well.
- The Police Department assisted Parkview Elementary and the EEC with their lock down drills. Both schools performed well.
- The Police Department assisted with sending off our High School wrestlers to State.
- All patrol Officers attended Winter Driving at Lake Georgetown in Georgetown, Colorado.
- The new patrol vehicles arrived and were placed in service.
- Officer Burr attended ARIDE training in Montrose, Colorado.
- Dispatch Supervisor Bean attended FBI LEEDA’s Supervisor Leadership Institute in Aurora, Colorado.
- All staff members received training from Identago for fingerprint collection.

- Town Manager Piering, Chief Hamblin and Lt. Garner attended a Rio Blanco County Commissioner workshop meeting to discuss the Rangely Police Department in joining under the Rio Blanco County Sheriff's Office Central Square license.

GAS DEPARTMENT/Building & Grounds – SUBMITTED BY KELLI NEIBERGER

Project status/Current Issues

- Meter Reading, get reads off large meters, go over reports and meter proof, make corrections, reprogram meters, final meter proof, recheck proof after gas rate calculated – make final changes.
- Weekly charts, pressures, and odorant level check
- Weekly check of Border Station and odorant injection system
- Gas usages and rate for January
- Average low temperature for January
- Leak Calls – 0
- Customer Calls - 3
- Carbon Monoxide tests - 0
- Locates for February - 5
- Work Orders – 15
- NPSO – (Non-payment shut-offs) – started with 5 and no one was shut off.
- Work on end of 2022 summaries (EFVs in system, service and main installation, abandonments)
- 2022 Gas Sales vs. Purchases information for annual reports
- File EIA-176 Report for 2022
- File DOT Annual Report for 2022
- 2022 Annual DIRT Report
- Work on upcoming CIRSA records audit
- Work on additions to procedures for Corrosion Control for the PUC
- Call Schedule April – July 2023
- Mapping paperwork and updates to GIS mapping
- Meter testing
- Time spent speaking to concerned customers about the increase in gas prices for January.
- Vehicle conditions reports (ck. Oil, fluids, tire wear, etc.)
- Paint and remodel at White River Village Apt. #9
- Snow removal equipment repairs
- Work orders for White River Village residents
- Work on issues with heating system at Town Hall
- Clean shop and wash trucks
- Snow and ice removal from meter sets
- Snow and ice removal from roofs of Town buildings
- Knock icicles off roof's edge at White River Village
- Snow removal at White River Village, Town Hall, Library and Gas Shop
- Assist Public Works with snow removal operations.

Personnel Issues/Events:

- Sam Eckhart has been hired as a Town Employee. He will spend half of his time at Public Works and half of his time at the Gas Department. He knows how to run equipment and will be able to assist both departments with line installation projects and repairs. Bryan Mackay will retire in August from the Gas Department, so we hope to have Sam operator qualified by the time Bryan retires.

Notable Issues/Events:

- The Town has and will be working with its customers regarding the increase in the natural gas bill for January (bill due in February). Notices were placed in the gas billing. February's gas rate is less than half of what January's was so customer bills will be lower but the usages for February remained high. Call Kelli at (970)629-0776 should you have any questions.

Public Works– Submitted by Jeff LeBleu

Personnel issues:

Notable Issues/events:

Water/Wastewater – Submitted by Michael Dillon/Donald Reed

Project status/Current Issues:

Water Treatment Plant:

- As of the end of February we're sitting at about 139% snowpack, which is a drop from last month but we're still good.
- Average daily water output from the plant in February was 245k gallons.
- Monthly compliance reports were sent to state with no violations being noted.
- We were able to install 2 of the 6 actuators for filter 1. The other 4 needed to have bushings custom machined in order to work with our existing equipment. We still have no word on when backup batteries will be here.
- We completed our first month using the new log sheet to comply with the new DOVE program, and it went well. We will begin using the new MOR for the DOVE program beginning in April.
- Bulk water's air compressor and actuator have been repaired. However, the outside lights help customers see at night really struggle to stay on in the wintertime, so we're going to look at a different option for lights so we don't have this issue anymore.

- We're having issues with our septic system freezing this winter, so we're having to suck out the system pretty frequently. This summer, we may need to lay insulation boards over the top of the sewer line to keep this from happening again in the future.

Wastewater Plant:

- Mueller is prepping for installing footers for the new headworks building but are struggling with moisture and freezing. They've got a ground-thaw unit working to keep everything dry.
- Worked on jetting sewer lines as yearly maintenance program.
- State Compliance Reports were sent out with no violations.
- We were able to install one of the new blower motors and are looking to install the other motor sometime within the first week of March. Before we can put it back online, we need to repair the check valve on the unit.
- We're continuing to work on getting the jet truck back in operation. We were able to make repairs on the tank with a new welder we bought and install a new pressure regulator.
- New tires were put on the older jet truck. We also have a pump rebuild kit that will be installed sometime in March.

Utility Department Activities:

- Had 5 locates, meter reads and rereads, several work orders, high/Low usage report.
- Utilities Department has helped PW with plowing snow and has also helped them suck out their septic system due to freezing.
- Joe Brown passed his Collections 1 exam.
- We ordered new hydrants to be installed on Hwy 64 and the MZ cross country line behind the college. We're looking at fall for installation.
- We met with the engineers for the raw water bulk station and we're still struggling to get the price to what was budgeted for. We'll meet with them again after some more internal discussions.
- We're waiting on quotes for a new meter to be installed on the raw water system at Elks Park.

Personnel issues:

- We're in the process of looking for a new employee.

CTO Social Media Co-Op Application

Apply for Facebook boosted post and Instagram co-op opportunities with the CTO from the dates of April-September 2023.

The social co-op program allows for partners to broadcast their strategic messaging via Visit Colorado's social channels and further amplify your investment through CTO matching dollars.

To review social co-op opportunities in more detail, please visit <https://bit.ly/CTOSocialCoOpDetails> or view the webinar [here](#).

If you have any questions or would like assistance in selecting the best tier for your needs, please reach out to: coloradosocial@mmgy.com

"The exposure on CTO's social media is quite extensive. @VisitColorado on Instagram has 227,000 followers and on Facebook has 777,000 followers. This is before a post is ever boosted, which will bring about thousands of views. A small investment for a large return."

Hello Colorado Northwestern Supporters,

The Colorado Northwestern Community College Foundation Board has made the difficult decision to forgo holding its annual Foundation Dinner for 2023.

The decision was made for a variety of reasons. These include, but are not limited to, 1) scheduling conflicts including Rangely High School's prom and the Higher Learning Commission annual conference, which will pull many volunteers away that evening; 2) inflation/food costs; and 3) many families feeling stretched thin this year with heating costs and other increased living expenses.

We plan to take this year to re-evaluate the event and determine a way to refresh our fundraising and community efforts. To thank our current, past, and future donors, we are planning to hold an appreciation event for the Rangely community this summer. You are very much appreciated!

We have already received some in-kind donations, so we plan to hold a smaller, online silent auction this spring. This auction would be open to alumni outside of the area as well as our community. Details will be sent out as they are available.

Should you wish to contribute funds or auction items in lieu of a ticket/table purchase this year, your gift would be appreciated. Contact a CNCC Foundation Board member or Sue Samaniego Executive Director of Advancement/Foundation at 970-675-3216 or sue.samaniego@cncc.edu for assistance.

Sincerely,

The Colorado Northwestern Community College Foundation Board:

Ann Brady, Ron Granger, Diane Sizemore, Sam Tolley, Margie Joy, Rachel Gates, Karol Bullen, Angela Johnson, David Rice, JoAnn Baxter, Steve Swymer, and Sue Samaniego (non-voting member)

**CONGRESSWOMAN LAUREN BOEBERT'S OFFICE RELEASES MARCH
STAFF MOBILE OFFICE HOURS**

Congresswoman Lauren Boebert's Office announced mobile office hours in the coming weeks.

Congresswoman Boebert stated: "Serving the people of Colorado's Third Congressional District is the greatest honor of my life. If you are having issues with a federal agency, or want your [voice to be heard](#), please come to one of our mobile office hours, and a member of my team will be happy to assist you."

Staff from Congresswoman Boebert's office will be available to help constituents who aren't getting answers from federal agencies, like veterans seeking to get the care they earned from the VA, travelers that need expedited assistance to receive a passport on short notice, taxpayers being harassed by the IRS, and senior citizens having issues with the Social Security Administration or Medicare. Additionally, constituents are invited to come to the office hours to express their viewpoints on legislative issues or request special Congressional Commendations from the Congresswoman recognizing outstanding public achievements.

Congresswoman Boebert's office has hosted over 175 mobile office hours in every county in the District, helped over 1,667 people, and returned over \$2,153,176.28 to constituents.

BOOK SIGNING

Layne Wardell
The Cowboy Storyteller

Layne Wardell is a fourth generation resident of the small town of Rangely located in the NW corner of Colorado. In *Scribbles and Stories*, Layne compiled a sharp, funny, and (mostly) honest collection of short stories and real-life experiences from a man who grew up hunting, roping, ranching, and riding horses in Northwest Colorado.

This cowboy storyteller's retrospective collection will make you think, make you laugh, and leave you wondering which stories are mostly true. The book is a must read!

Layne will be available to meet and sign his book at the following locations and times. Books will be available for purchase at the events. Refreshments will be available as well.
