Rangely is a municipal corporation and a political subdivision of the State of Colorado. As a statutory Town the council appoints the Town Manager, Clerk, Treasurer, Municipal Attorney and Municipal Judge. Voters Elect a mayor and six members to the Board of Trustees on even numbered years in an April election. The Mayor serves two year term with the board of trustees serving four year terms which are staggered. The next election will be held on the first Tuesday in April 2020.

Preparation of the budget reflects the Town Council's goals for providing a balanced budget. Town staff work diligently to minimize expenditures while maintaining equipment and infrastructure so as to not jeopardize municipal services provided. The Town of Rangely is committed to financial sustainability and working toward continued economic development to address the constraints brought on by the decline of the energy industry in our region.

The 2022 budget reflects a conservative budget approach. Revenue and expenditures are based on past years analysis and projections. 2022 Capital expenditures have been prioritized and categized for future years unless we are successful in obtaining grant funding or the project is time sensitive. Reserves will be utilized for capital projects in the General Fund, Water Fund, Wastewater Fund, Rangely Development Fund and Rangely Development Corporation.

Primary sources of Revenue (40%) in the General Fund include Federal Mineral Lease, Severance, Colorado Sales Taxes, General Property Tax and Highway Users Tax.

Capital Outlay and Improvements have been prioritized to work towards needed infrastructure improvement for the next five to ten years. Police Equipment, curbs, gutters, water line replacement, wastewater headworks building, and new business development represent 90% of Capital Expenditures. Grants to help fund applicable projects will be pursued from the Federal Level, the Department of Local Affairs, Local Partners and Main Street/CDOT which represents 82% of the total Capital Budget Expenditures.

The Town Manager and staff will review revenues and expenditures closely throughout the year, Town Council will review the financial summary monthly and be informed of any significant changes. I respectfully submit the 2022 budget for the town council's consideration and approval.

Lisa Piering, Town Manager

BUDGET PROCESS

As a statutory town, the budget for Rangely is based on a calendar year basis (Colorado Revised Statutes 29-1-101). The budget presents a complete financial plan for the Town; setting forth all estimated expenditures, revenues, and other financing sources for the budget year, together with the information from the previous fiscal year. The budget must show a balanced relationship between the total proposed expenditures and the total anticipated revenues with the inclusion of beginning funds.

Budget expenditures may only be exceeded in the case of an emergency or contingency that was not reasonably foreseeable. Under such circumstances, the Board of Trustees may authorize the expenditure by resolution following proper notice and hearing. Transfer within a fund or between funds may be done only in accordance with State law. The Town of Rangely implements the budget by approving a series of resolutions, copies of which can be located at the rear of this document.

TABOR

The Taxpayers' Bill of Rights (TABOR) was adopted by Colorado voters in 1992 and enacted in 1993. This amendment acts as a revenue limitation measure on Colorado governments by requiring voter approval in advance for "any new tax, tax rate increase, mill levy above that of the previous year...or extension of an expiring tax, or a tax policy change directly causing a net tax revenue gain to any district." Rangely voters specifically exempted much of the Town's revenue from the TABOR limitation provisions in the 2001 general election. However, this legislation continues to affect Rangely through the emergency reserve requirement, which mandates that Colorado governments maintain an emergency reserve of 3% of the general fund budget and strongly restricts the use of this fund thereby reducing the resources available to managers and policymakers during weaker economic times.

BUDGET NOTES 2022

GENERAL FUND REVENUES

TAXES

10-31-100 Property Taxes \$175,000

Property taxes are the revenue derived from local mill levy on real property and certain categories of personal Property. Taxes are estimated to increase slightly in 2022 with an increase in our population. We will see a slight increase from the mills due to arrears and interest. The Town, under Tabor, is allowed at current valuations to receive up to **10 mills.** Any increase above the current 10 mills would, however, require a referendum.

<u>10-31-200 Specific Ownership Taxes \$15,000</u>

The revenue derived from the State formulated levy on certain vehicles and mobile equipment.

10-31-300 General Sales Tax \$860,000

Sales taxes collected on goods sold are estimated to remain stable and realize a increase due to the taxation of online purchases and increase in purchases in Rangely. A portion of the sale tax, approximately \$165,000, is shared through a unique agreement with the Rangely School District.

10-31-500 Cigarette Tax \$3,000

Tax collected on the sales of cigarettes is estimated to remain the same or show a marginal increase from 2021.

10-31-600 Business Franchise Tax \$65,000

A fee that is assessed to utility franchises operating in Rangely; Moon Lake Electric (4% of gross sales), CenturyLink (\$4.5 annually per account; i.e., each separate line or number), and Spectrum Cable (5% of gross sales).

10-31-700 Severance Tax \$241,000

Severance Tax is derived from a formula that provides 50% of the total collected to DOLA which distributes 30% of that amount to the County pool in a direct distribution. The municipal split is further computed based on employee residence reports, total population and road miles. This past year because of COVID and State budget shortfalls the allocation came in at approximately 8% of what we allocated. We expect 2022 allocation to be back at our projected 2019 levels.

10-31-800 Motor Vehicle Sales Tax \$10,000

Tax collected on the sales of vehicles in Rangely, as vehicles become more available, we expect this amount to increase possibly over budget

10-31-900 Motor Vehicle Use Tax \$150,000

Use tax passed through from the County, as vehicles become more available, we expect this amount to increase possibly over budget

LICENSES AND PERMITS

10-32-100 Business Licenses \$7,000

It is estimated that receipts for business licenses will remain the same or increase slightly.

10-32-200 Liquor Licenses \$1,000

Fees for liquor licenses will see slight increase.

10-32-400 Building Permits \$10,000

Building Permit revenues may increase with renewed interest in housing needs. New Business development may garner developmental review fee's that will increase funds

INTERGOVERNMENTAL REVENUE

10-33-200 Highway Users Trust Fund \$90,000

These revenues are remitted to the Town from the State based on formula involving collection of taxes placed on fuel and the number of miles of roads in the Town.

10-33-300 Motor Vehicle Registration \$10,000

It is estimated that revenues remitted to the Town from the County will remain stable.

10-33-400 Building Rent/Utilities \$30,000

Rents are collected from Rio Blanco County.

10-33-500 Mineral Lease Distribution \$698,000

These funds are collected in lieu of income tax from energy companies by the Federal Government and distributed to the Town through a complex formula. The estimate is subject to dramatic changes with state discretion as we experienced in 2021. We expect that this will continue through 2023-24 possibly.

10-33-300 County Road & Bridge Tax Share \$45,000

These funds are remitted to the Town by the County in lieu of in-kind services and are based on 50% of the taxes from the Road & Bridge Levy against assessed valuations of property within the Town limits.

10-33-701, 750, 760, 800 Grants \$160,000

These funds are obtained from DOLA. WRB 911 Board and Rio Blanco County to provide for capital outlay and capital improvements. This year the funds will be requested from FEMA for flood plain studies.

10-34-300,400,500,600 CHARGES FOR SERVICES \$490,000

These charges are assessed to other Departments and Funds for administrative and financial services provided through the General Fund. The council have determined that these charges should be reviewed annually and adjusted accordingly in consideration of the CPI and demands placed on the General Fund.

10-36-400,410,420,430,440 Court Fines and Fees \$16,200

Other fees collected include surcharges (\$5/defendant upon conviction), court costs between \$25 and \$50, witness fees, deferred judgment fees of \$40, probation fees of \$25, bench warrants of \$30, and incarceration fees.

Dear Mrs. Piering,

State statute C.R.S. 39-1-111(5), requires the Assessor to recertify the County's value by December 10, 2021. This recertification is necessary due to value changes that occurred after August 25, 2021. These modifications are a result of factors that are not under the control of the Assessor's office. The new value is the value that will be used to determine the tax rate for your district.

As required by C.R.S. 39-5-128(1), I submit herewith the Assessed and Actual Values for your authority, assessed by me for the year 2021, and shown on the Rio Blanco County Abstract of Assessments submitted by me to the Division of Property Taxation.

Please note this valuation is subject to change by the State Board of Equalization.

Sincerely yours,

Renae T. Neilson
