The Rangely Police Department offers physical security checks of short-term vacated property within the town limits of Rangely. As part of this term, we will conduct an exterior check of the residence for unlocked doors, open windows, or signs of criminal activity. We will contact you or a designated party upon finding open doors, windows, or signs of criminal activity. We will not care for animals or conduct any other requests for care of the property. You may return the completed request form in person or by emailing it to csteele-mackay@rangelyco.gov. Any early requests to terminate these checks must be made in person at the Rangely Police Department.
