

SBDC Technical Assistance

Applicants are required to meet with an SBDC advisor as part of the application process. During this meeting, SBDC will conduct a confidential business health assessment and will provide suggested resources and learning pathways to support the business owner's goals. The grant committee will not receive the business health assessment or the confidential details of the conversation, but they will receive confirmation that the meeting took place and a summary of the topics that were of interest to the business owner for long-term business support. The business owner will review this document before it is shared with the committee.

The SBDC meeting will be conducted virtually (by video or phone call) and can be scheduled by visiting www.northwestsbdc.org or by calling (970) 328-3414. Please note that advisor schedules often book 1-2 weeks out, so applicants should contact the SBDC a minimum of one week prior to any deadlines.

Should the applicant require an electronic means to meet with SBDC the Town of Rangely will provide a private space to facilitate the meeting. Please contact Jeannie Caldwell at jcaldwell@rangelyco.gov to schedule the private space.

While not required, SBDC is available to provide additional technical assistance for the business and business owner. To schedule additional technical assistance through SBDC you can utilize the contact information listed above. **Please note this is a free service.**
