

Town Council Packet
February 8, 2022 @ 7:00pm

1 – Agenda

GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified **Public Input** and **Public Hearing** portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. ***Announce your name*** so that your statements can be adequately captured in the meeting minutes.
 - ii. ***Please keep your comments to 3-5 minutes*** as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

Town of Rangely

1. **Call to Order** – 7:01pm
2. **Roll Call** – Andy Shaffer, Trey Robie, Don Davidson, Kodi Nelson, Alisa Granger, and Keely Ellis present. Tim Webber excused absent.
3. **Invocation** – Led by Jasper Whiston
4. **Pledge of Allegiance** – Led by Lisa Piering
5. **Minutes of Meeting**
 - a. *Discussion and Action to approve the minutes of January 11, 2022, Town Council Meeting* – **Motion made by Don Davidson to approve the minutes of January 11, 2022, Town Council meeting, second by Alisa Granger. Motion passed**
6. **Petitions and Public Input** - None
7. **Changes to the Agenda** – Strike 15b under New Business. Add 15e, 15f, 15g, 15h, and 15i under New Business
8. **Public Hearings - 7:10pm** - None
9. **Committee/Board Meetings** - None
10. **RBC Commissioner Reports** - None
11. **Council Reports** – Don Davidson spoke about forming a non-profit civil defense group. The group will focus on emergency preparedness. Looking at meeting monthly.
12. **Supervisor Reports – See Attached**
 - a. *Jeff Lebleu* – Jeff reported to the council that public works has been busy with plowing snow, and snow removal. Jeff stated that one of the plow trucks was down needing a water pump replacement. Chipping ice daily, and service vehicles/equipment. Jeff indicated that they have been working down at the wastewater plant and water breaks at the wastewater plant.
 - b. *Chief Hamblin* – Chief Hamblin reported to the council that the police department continues to be busy. Police Department had 1085 service calls in the month of December. He also reported that there has been changes in personnel, Sargent Garner was promoted to Lieutenant, hired dispatcher Cook, and hired Officer Bradley Burr and Kaylyn Duke is going from dispatcher to patrol officer. Chief Hamblin also

stated that they are looking at combining code enforcement and animal control. Linda Farney was voted Employee of the year by her co-workers. The Police Department donated old tasers to CNCC's NPS program. Dispatcher Kimber Millard taught an EMD class in Routt County. The Police Department is wanting to start 'Coffee with a Cop', in which community members could have discussions with a cop. Looking at meeting monthly but still working on the details. Officer Millard is attending SRO training. Chief Hamblin reported that he attended the Police Chief annual conference. From that conference he stated that there will be many changes for law enforcement officers. Chief Hamblin introduced Officer Bradley Burr and was sworn in. Officer Burr moved to Rangely 1.5 years ago and has 30 plus years of law enforcement experience.

13. Reports from Officers – Town Manager Update – Lisa reported that she attended a DOLA workshop online and discussed economic vision. Lisa stated that we are in the process of updating the meter reading equipment. There was an apartment at White River Village that had a remodel and getting ready for a new tenant. Lisa also stated that we are gearing up for more grant processes. RDA/RDC will meet on Thursday and Planning & Zoning next Wednesday. Still waiting to hear on the Cogency grant.

14. Old Business

15. New Business

- a. *Discussion and action to approve the December Financial Summary* – **Motion made by Trey Robie to approve the December Financial Summary, second by Alisa Granger. Motion passed**
- ~~b. *Discussion and action to approve the renewal of the Liquor License for Rangely Liquor*~~

- Traffic contacts **41** – traffic contacts, **2**-accident(s), **11**- citation(s), **30** - warnings, **19** of the traffic contacts were citizens of Rangely.

Personnel Issues:

- Officer Brad Burr was sworn in at the January council meeting.
- Dispatcher Cook continues her training.

Notable issues:

- A new AED was purchased and placed in Town Hall.
- The Police Department received a new shipment of Narcan to replace the expired Narcan.
- We received rapid COVID tests from Meeker PD.
- The Emergency Medical Dispatch (EMD) cards were reviewed and approved by the Police Department's medical advisor Dr. Hsu.
- Chief Hamblin taught several classes at CNCC.
- Chief Hamblin attended the Colorado Association of Chiefs of Police (CACP) mid-year conference in Loveland.
- Lead Dispatcher Steele-Mackay attended FBI LEEDA's Supervisor Leadership Institute class in Castlerock.
- The Police Department has decided to join Carfax for reporting vehicle crashes.

GAS DEPARTMENT/Building & Grounds – SUBMITTED BY KELLI NEIBERGER

Project status/Current Issues:

- Meter Reading, get reads off large meters, go over reports and meter proof, make corrections, reprogram meters, final meter proof, recheck proof after gas rate calculated – make final changes.
- Gas usages and rate for January
- Weekly charts, pressures, odorant check
- Leak Calls – 1
- Customer Calls – 2
- Carbon Monoxide tests - 0
- Locates for January - 6
- Work Orders – 19
- NPSO – (Non-payment shut-offs) – started with 4 and 3 were shut off
- Gas line hit at 98 County Rd. 46 – customer was digging up leaking water line – make repairs and do required paperwork
- Quarterly Patrol of Distribution System
- Meter testing
- “No Gas” call at 282 Middle St. – meter had to be replaced
- Purchasing – we continue to purchase necessities but are being careful not to spend unnecessarily.
- Call Schedule February
- Review December financials for Gas Dept. and Building & Grounds
- Rewrite Trenching and Excavation policy
- Schedules and lists for Town Employee training that must be completed this year
- Average low temperature December
- End of the year summaries and reports – Service line installation, Main installation, Abandonments, Pressure tests
- Number of locates for 2021 by month
- Annual DIRT (damage reporting) report for 2021
- 2021 Average low temperature report
- Update 10 yr. usage report through December 2021
- Update Gas Dept. Employees Operator Qualification master sheet and training modules from 2021
- Discussions with Lisa and others regarding Dinosaur installing natural gas system and the Town of Rangely’s role in assisting them in operating it if it becomes a reality
- Take Christmas decorations down from light poles and Town Hall courtyard
- General work orders and maintenance at Town Hall and White River Village
- Shovel snow at White River Village, Town Hall, Library, Gas Shop and Town duplexes as required
- Repairs to snow plowing equipment
- Work on White River Village apt. #10 to get ready for new tenant
- Blueprints for White River Village - sewer main line and services
- Burst water line at 221 W. Rangely Ave. – shut water off in meter pit
- Sanitize surfaces at shop and in office
- Assist Ducey’s Electric with installation of heat trace on roof of White River Village

- Clean shop and wash trucks

Personnel Issues/Events:

Notable Issues/Events:

- Safety Committee Meeting January 20th

Public Works– Submitted by Jeff LeBleu

Project status/Current Issues:

- Solar lights for walk path have been installed

Crew Activities:

- Snow removal,
- Work on plow truck,
- Service 4 police cars,
- Repair water leak at sewer plant 4 times,
- Clean up from water break,
- Chip ice on Main Street weekly,
- Install new front tires on 590 case backhoe,
- Haul road base to fill pothole by high school,
- Clean and grease equipment,
- Snow removal,
- Repair hydraulic hose on 590 case backhoe,
- Sand streets, repair work on loader,
- Re-route water line at the sewer plant,
- Clean Public works shop and office.

Personnel issues:

Notable Issues/events:

Water/Wastewater – Submitted by Donald Reed

Project status/Current Issues:

Water Treatment Plant:

- The water treatment plant has been running great and has had almost no issues this month. We did have a couple issues with our MicroClor (chlorine generator), but we were able to get those issues resolved very quickly. We are still worried about TOC removal and are having discussions about possible processes to aid in the removal of the TOC.
- We are continuing our winter maintenance on various equipment around the plant. We've flushed our hot water heaters, chemical feed pumps and have rebuilt our fluoride pumps.
- East side of the water plant was drained and cleaned with all sludge removed.
- Down River Extension Project---Michael and I met with Alden out at the Water Conservancy District on January 26th to continue discussions regarding the down river water line project. He showed us what their proposed path for the line was. He also proposed a few other lines connecting to our system that would serve other rural customers who aren't currently on our system.

- Snowpack has dropped about 10% from the last time we reported. We're still above average for this time of year at 104%, but we will need to continue to monitor this number closely.
- Our new SCADA computer is scheduled to be installed the week of February 21st. Timberline has accessed our current SCADA computer remotely to gather information that will allow them to have most of the programming done on the new computer, making installation a much quicker process.
- We are still working on the Utilities Master Plan and are on schedule to have it completed by Spring of this year.
- The Consecutive Water Agreement is still being worked on for Scout, but it sounds like they are keen on keeping the exact same agreement we had with Chevron. We're still waiting on final paperwork.
- Water loss total for the year 2021 was 16.6%. This number is expected to go down substantially for the year 2022 because of a few different leaks we repaired throughout the year. I've also reviewed all customer consumption data for last month and will compare it to this month's results to look for any obvious discrepancies. This will be a continuous job in effort to decrease water loss.
- Monthly compliance reports were sent to state with no violations being noted.
- Backflow Cross Connection program for 2022 has already begun and we've already had several facilities submit their test results for backflow preventers.
- At the request of EPA all municipalities are required to upgrade the Emergency Response Plan regarding handling in the event of a Cyber-attack on all support and mission essential facilities, along with plans on loss of electrical grids for extended periods of time. The department already has contingency plans in place for these types of events, but we will have to re-evaluate with a cyber-attack in drafting response on actions required. This would also require us to upgrade our (SOP) Standard Operating Procedures.

Wastewater Plant:

- Head Works Building Project—Mueller construction broke ground the first week of January. So far, they've been working on a shoring wall and drilling wells to remove ground water. This last week, public works installed a bypass water line around the construction site to give Muller more room to install wet-wells and manholes.
- Huber is scheduled to be here today, January 31st. to inspect the damages from shipping last month.
- Headworks was still having some electrical issues, especially downstairs where the H2S is more concentrated. We had to pull a little bit of wire to repair an outlet that kept frying one of our breakers.
- State Compliance Reports were sent out with no violations.

Utility Department Activities:

- Had 5 Locates, meter reads and rereads, 3 work orders, High/Low usage report.
- Minimal callouts this month
- Assisted public works in repairing water line behind headworks building.
- Attended meetings with PAC and the Conservancy meeting.
- Jetted several sewer lines as part of regular maintenance.

Personnel issues:

- None

Notable Issues/events: *N/A*

Animal Shelter– Submitted by Linda Farney

Project status/Current Issues:

- 19 Running At Large
- 4 Impound & Release
- 1 Release
- 1 Dog Relinquished
- 3 Cats Relinquished
- 5 Barking Dog Complaints

Personnel Issues/Events: *N/A*

Notable Issues/events: *N/A*

WRV/Liquor-Code Enforcement– Submitted by Janet Miller

White River Village:

Project status/Current Issues:

- Processed 1 tenant recertifications and sent to USDA
- Processed 1 new tenant certification
- Regular maintenance and cleaning are always ongoing
- Completed apartment 10 upgrade:
 - Painted apartment
 - Installed new light fixtures
 - Installed new vanity and toilet
 - Quality Carpet installed new flooring
 - Detail cleaned apartment for move in
- Snow removal
- All common areas are being sanitized daily to decrease the risk of Covid spread.
- All apartments are now filled

Personnel Issues/Events:

Notable Issues/events:

Liquor Licensing:

Special Event Permit:

Main Street/Town Hall:

- I researched Native Plant material for the Rangely area and created a plant list that will be used for future projects, including the East Entrance. These are low maintenance Natives that will thrive in our high PH soils and extreme weather with very little supplemental water after establishment.
- Created rough landscape sketch for the East Entrance project
- Began working on list for Main Street flowerpots.
- Snow removal

Notable Issues/events

Code Enforcement:

• 6.22.020 Domestic Animals Prohibited	0

201 South Stanolind Avenue
Rangely, CO 81648

1 February 2022

To Whom It May Concern:

I am interested in serving on the Rangely Planning and Zoning Board and submit this letter for your consideration.

My family and I moved to Rangely in 1989. My wife worked at Rangely District Hospital as an R.N. until her retirement four years ago, and both of our daughters graduated from Rangely High School.

Until my retirement in May 2020, I spent 31 years at CNCC, serving at various times as English Instructor, Registrar, Athletic Director, and Associate Dean of Instruction. For a number of years I was also in charge of student housing, during which time I worked closely with the CNCC maintenance department to address concerns and to facilitate improvements in the residence halls and other campus buildings.

I have served for many years on the Rio Blanco Schools Federal Credit Union Board, and I welcome the opportunity to further contribute to the Rangely community as a member of the Planning and Zoning Board.

Thank you for your time and consideration.

Sincerely,

Lee Stanley

Submit to Local Licensing Authority

**RANGELY LIQUOR STORE
 719 E MAIN ST
 Rangely CO 81648**

Fees Due	
Renewal Fee	227.50
Storage Permit \$100 X _____	\$
Sidewalk Service Area \$75.00	\$
Additional Optional Premise Hotel & Restaurant \$100 X _____	\$
Related Facility - Campus Liquor Complex \$160.00 per facility	\$
Amount Due/Paid	\$ <u>227.50</u>

Make check payable to: Colorado Department of Revenue. The State may convert your check to a one-time electronic banking transaction. Your bank account may be debited as early as the same day received by the State. If converted, your check will not be returned. If your check is rejected due to insufficient or uncollected funds, the Department may collect the payment amount directly from your banking account electronically.

RE: Rangely Liquor, liquor license renewal

Date: January 24th, 2022

The Police Department has not responded to Rangely Liquor for any liquor violations or other calls for service since the last renewal. I find no reason this liquor license should be denied.

Handwritten signature of TiRynn Hamblin in black ink.

Revitalizing Main Streets

FY 2022 Projects

Opportunity 1: Larger Safety Infrastructure Grant

Application Form

OVERVIEW

The **Revitalizing Main Streets: Safety Infrastructure Grant** was released on **December 6, 2021**. Review the application and submit questions for the Pre-Application Workshop on January 6, 2021. **Applications are due Friday, February 4, 2022**. Please submit your application to cdotmainstreets@state.co.us.

- The application must be affirmed by either the applicant's City or County Manager or Chief Elected Official (Mayor or County Commission Chair) for local governments, or agency director or equivalent for other applicants.
- Further details on project eligibility, evaluation criteria, and selection process are defined on the [Revitalizing Main Streets Program website](#).
- Each jurisdiction is only able to submit one project for consideration. The committee values collaboration and will consider the proximity of overlapping jurisdictions. Jurisdictions awarded in the first round of funding *are eligible* to submit an application for this round of funding; Please refer to updated guidance for Round 1 Awardees found on pages 2-3 of the [Eligibility Rules and Selection document](#).
- Projects requiring CDOT and/or local concurrence must provide their official response with this application submission. Please reach out to them as soon as possible.
- With technical questions, please reach out to Nathan Lindquist, CDOT Land Use Planner and Analyst at nathan.lindquist@state.co.us.
- For data portions of the application, especially *Part 3*, provide as much information as possible using local and state data; provide traffic counts as necessary. If data is not available, please provide a clear narrative describing the problem and how it would be improved with your project.

APPLICATION OUTLINE

Part 1 | Project Information

Applicants will enter basic information for their *project/plan* (hereafter referred to as *project*) in Part 1, including a Problem Statement, project description, and concurrence documentation from CDOT and/or a local agency, if applicable. Part 1 will not be scored.

Part 2 | Evaluation Criteria, Questions, and Scoring

This part includes sections for the **applicant to provide qualitative and quantitative responses** to use for scoring projects. To learn more about how projects will be scored, please see the eligibility rules and selection process document.

Part 3 | Project Data - Calculations and Estimates

Based on the project elements, applicants will complete the appropriate sections to estimate benefit values. Part 3 will be combined with CDOT Safety analysis, and the quantitative responses should be used to back-up the applicant's qualitative narrative.

Part 1		Project Information
1. Project Title	Town of Rangely Highway 64 East Entrance Safety Improvements	
2. Project Type	Multi-Modal, Traffic Calming Access and Aesthetics Improvements	
3. Project <i>Start/End</i> points or Geographic Area <i>Provide a map with submittal that includes the project location.</i>	The project begins on Highway 64, 638 ft east of MM 19 to 1312 ft east of MM19. Please see attached Figure 1, Project Location Map	
4. Project Applicant	Town of Rangely	
5. Project Contact Person, Title, Phone Number, and Email	Jocelyn Mullen, PE, 970-675-8476 jmullen@rangelyco.gov	
6. Does this project touch CDOT Right-of-Way or involve a CDOT roadway? Yes	<input checked="" type="radio"/> Yes <input type="radio"/> No <i>If yes, provide applicable concurrence documentation with submittal (please use prepared form located in the Additional Resources section of the RMS Webpage)</i>	
7. What planning document(s) identifies the need for this plan or project?	<i>Provide link to document/s and referenced page number</i> 2019 UTA Report titled Rangely, Colorado: Main Street Beautification Enhancing CO-64 through Rangely, CO (attached) pgs 56-65	
8. Project Overview (concise abstract limited to 5,000 characters) Previous efforts to Rangely wishes to create an improved East Entrance to Rangely along Highway 64 just east of MM 19 by installing new retaining walls on both sides of the highway and stabilizing the existing multi-modal paths on each side. By visually announcing that a traveler is entering Rangely, we hope to achieve traffic calming and speed reduction in advance of school crossings and higher vehicle density further west in downtown Rangely. With considerable commercial truck traffic, pedestrian, residential and OHV use in the project area, creating a sense of place entering Rangely will help reinforce the understanding that you are no longer on a rural highway in the middle of nowhere. Landscaping, and relocating our Welcome to Rangely sign will complete the visual reminder to slow down, be observant and vigilant, and see what Rangely has to offer. Previous efforts to accomplish these goals with lane narrowing, bump-outs, and flashing pedestrian signs have improved conditions slightly, but not as much as hoped.		
9. Project Description. Describe your project and what it is going to do. Do not include background information or justification language. Please only include details specific to the work that will occur as part of this project. (limited to 15,000 characters) The East Entrance Safety Improvements project will construct a visual cue to travelers that they have transitioned from low volume, high speed rural highway corridor to a higher population/traffic density area requiring reduced speeds, and increased vigilance and awareness. Existing infrastructure has been in place for many years and is failing. This proposal enhances a multi-modal pedestrian, biking, walking, and OHV experience while re-enforcing and stabilizing the highway roadcut for long term success. Relocating the Town's monument entry sign to the north side of the highway will reinforce the fact that you are entering a Town. Adding low maintenance, native plants to the landscaping design will enhance the natural but manicured feel while reinforcing the announcement that you are now in civilization. All these components together harden infrastructure to maximize useful life, while helping Rangely achieve its goals of safer co-existence along a state highway.		

<p>10. Define the scope and specific elements of the project. Each task should start with a title and follow with a description.</p> <p>Task 1: Project Permitting. This task includes obtaining SUP from CDOT for the work, appl</p> <p>Task 2: Demo and remove vegetation, rock, walls and debris from existing north and south</p> <p>Task 3: Build new retaining walls, in phases, each side. Relocate existing East Entrance M</p> <p>Task 4: Reestablish north side OHV trail with improved surface, compaction and drainage.</p> <p>Task 5: Establish landscaping with low maintenance native plants, and limited lighting arou</p>	
<p>11. Is the project scalable, and/or do project components have independent utility? Accordingly, would a smaller amount than requested be acceptable, while maintaining the original intent of the project?</p>	<p><input checked="" type="radio"/> Yes <input type="radio"/> No</p>
<p><i>If yes, define smaller meaningful limits, size, or scopes, along with the cost for each, if the project is scalable.</i></p> <p>The project is scalable in that it could be broken into 2 parts. The North side work could be done as one project, and the south side work could be done as a second project. However, the Town would want to purchase and store all the retaining wall block with the first contract to ensure that the project material matched when the second contract was funded.</p>	
<div></div>	

A. Project Financial Information and Funding Request

A detailed engineer's cost estimate and schedule should accompany the application to support the funding request detailed below.

1. Total Project Cost		\$ 1,634,500.00
2. Total amount of funding request (State Funds) <i>Projects with a match of 20% or higher will be scored higher. See more scoring criteria details in the eligibility rules and selection document.</i>	\$ 1,307,600	80 % of total project cost
3. Outside Funding Partners List each funding partner/source and contribution amount.	\$\$ Contribution Amount	% of contribution to overall total project cost
Town of Rangely	\$ 326,900	20
CDOT Main Street	\$ 1,307,600	80
	\$	
	\$	
	\$	
	\$	
Total amount of funding provided by other funding partners <i>(private, local, state, regional or federal)</i>	\$ 326,900	20

		FY 2022	FY 2023	FY 2024	Total
Federal Funds		\$	\$	\$	\$
State Funds*		\$ 902,500	\$ 405,100	\$	\$1,307,600
Local Funds		\$ 225,600	\$ 101,300	\$	\$ 326,900
Total Funding		\$ 1,128,100	\$ 506,400	\$	\$1,634,500

*This grant program is providing State Funds through SB 110.

4. By checking this box, the applicant's Chief Elected Official (Mayor or County Commission Chair) or City/County Manager for local governments or Agency Director or equivalent for others, has certified it allows this project request to be submitted for funding and will follow all DRCOG policies and state and federal regulations when completing this project, if funded.

NWDC Just Transition Grant

CNCC Renewable Energy Technician Training Program Development

Goal: Work in conjunction with Cogency to develop specialized curriculum along with a proprietary training program targeting Cogency's solar-geo-thermal technology.

1. The program would train potential manufacturing and site installation technicians skills in photovoltaics/geo-thermal loop drilling/electrical and controls/mechanics for the purpose of employment with Cogency.
2. The program would be designed in a way that the learning outcomes could be transferable to multiple employment environments.
3. CNCC would issue an internal certification vetted and verified by the Cogency team.
4. Resources and costs associated with CNCC's participation include:
 - a. Hiring a full-time content expert-for three years (includes salary AND benefits)
 - b. Curriculum development with Cogency content experts
 - c. Proprietary equipment costs
 - d. Facilities cost
 - e. Marketing dollars

The Grant request would be for no more than \$400,000

As with any new training program CNCC would expect financial viability of the program (predicated on program success) within three years, measured by stable enrollment and successful job placement of graduates.

After successful implementation of the Cogency certificate program, if demand supported, CNCC could develop and launch a 2-year Renewable Energy Technician certificate program that could include some or all of: Photovoltaics, Microhydro, Geothermal, Wind Power, Biofuels and Biomass, Energy Systems Auditing and Management, Grid integration of Renewables, and Fuel Cells and Batteries.

While graduates of the initial program would have a defined job market in the concurrent rollout of Cogency technology in multiple applications around Rangely, evolution of the Program could create training and certificates for installation and maintenance technicians for all categories of renewable energy technologies, ensuring ongoing relevance of CNCC's program regardless of the future of Cogency. The Town of Rangely and CNCC believe that this captures the intent of the Just Transitions program to create retraining opportunities for workers who will lose work in coal and other extractive resource jobs, allowing them to laterally transfer existing skills and experience into new applications. This program supports capacity building and long-term transition strategies, and will strategically leverage long-term private investment as Cogency expands concurrently.

Town of Rangely

Resolution 2022 –01

A RESOLUTION CANCELLING THE APRIL 5, 2022, ELECTION AND DECLARING THE MAYORAL CANDIDATE ELECTED

WHEREAS, the Town's regular election is scheduled to be held on April 5, 2022; and

WHEREAS, the election is to be conducted in accordance with the Municipal Election Code and the Rangely Municipal Code; and

WHEREAS, the only matter before the electors at the election is the election of four seats on the Board of Trustees; and

WHEREAS, pursuant to C.R.S. § 31-10-507, the Town adopted Section 2-10-150 of the Rangely Municipal Code, which provides that if the only matter before the voters in a Town municipal election is the election of persons to office and if, at the close of business on the sixty-fourth day before the election, there are not more candidates than offices to be filled at such election, including candidates filing affidavits of intent, the Clerk, if instructed by resolution of the governing body either before or after such date, shall cancel the election and declare the candidates elected; and

WHEREAS, pursuant to C.R.S. 31-10-306, the Town adopted Section 2-10-100 of the Rangely Municipal Code, which requires that affidavits of intent of write-in candidates be filed prior to sixty-four days before the day of election, which for the April 5, 2022, election is January 31, 2022; and

WHEREAS, as of the date of this Resolution there are not more candidates than officers to be filled at the April 5, 2022, election and no write-in affidavits have been filed; and

WHEREAS, pursuant to its authority under Section 2-10-150 of the Rangely Municipal Code, the Board of Trustees desires to instruct the Town Clerk to cancel the April 5, 2022, election and declare the mayor candidate elected;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF RANGELY, COLORADO THAT:

Section 1. Pursuant to the Section 2-10-150 of the Rangely Municipal Code, the Board of Trustees does hereby instruct the Town Clerk to cancel the April 5, 2022 election and declares Andrew M. Shaffer elected to the Office of Mayor; to commence upon being sworn into office at the regular meeting of the Board of Trustees on April 12, 2022.

Section 2. The Board of Trustees does hereby further instruct the Town Clerk to publish such notice of the canceled election as required by law.

Section 3. The Board of Trustees does hereby further instruct the Town Clerk to publish such notice that no candidates did complete a petition that a Notice for Appointment will be filed in the first of March allowing the current Board of Trustees to appoint the three vacant seats on April 12, 2022.

PASSED AND RESOLVED BY THE Board of Trustees of the Town of Rangely, Rio Blanco County, Colorado, this 8th Day of February 2022 by a vote of ____ For and ____ Against.

TOWN OF RANGELY

ATTEST

Andy Shaffer, Mayor

Marybel Cox, Town Clerk

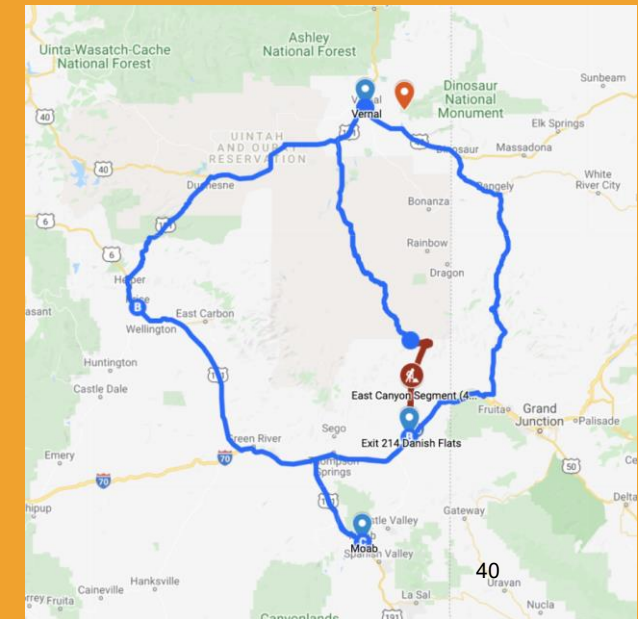

Eastern Utah Regional Connection (aka Book Cliffs Highway)

Trisha Hedin
Grand County Commissioner
Grand County, Utah

Proposal

- Seven County Infrastructure Coalition (SCIC)
- Completion of Seep Ridge Road via Grand County along the Divide and down East Canyon
- 35 miles of highway
- Cost projections ranging from 200-400 million
- Funding via Biden's Covid and/or infrastructure packages

SCIC Objectives

- Fill the need for a developed transportation corridor from the Uinta Basin to I-70
- Unpaved roads of Hay and East Canyons are insufficient to support the people and products that could be moved through the Book Cliffs
- Existing roads are dangerous and/or impassable in the winter
- The existing travel corridors through Dinosaur/Rangely and Duchesne/Helper are miles longer than the proposed route
- This highway would provide a more direct route for tourism that moves from Yellowstone to Flaming Gorge, Dinosaur National Monument to the Mighty Five in Southern Utah

Detriments to Utah

- Taxpayers' dollars (Grand and statewide) going to an infrastructure project that is unwanted and irrelevant
- Grand County, although being told we will not be saddled with construction or maintenance costs, will be spending monies on enforcement, search and rescue and maintenance on county B roads
- Wildlife (habitat fragmentation, invasive species/plant, increased poaching, increased roadkill)
- Lee and Deb Elmgreen that live at the mouth of East and Hay Canyons will lose a portion of their ranch via imminent domain

Detriments to Dinosaur & Rangely

- In building this highway, the Eastern Utah Regional Connection will bypass the existing travel corridors
- These travel corridors are vital to the economic diversity of communities on the west side of this proposal such as Duchesne, Helper, Price and Green River and on east side, Dinosaur and Rangely
- The north side of the Book Cliffs has historically been supported by extractive industries; however, tourism is becoming more prominent and thus can be a key component to the livelihoods of such communities

Stopping the Proposal

- Contact your local and regional press for exposure of the issue
- Contact the Governor of Colorado – Governor of Utah
- Contact your state representatives
- Join the Rural Utah Project in opposition
- Contact the Seven County Infrastructure Coalition and ask to speak at their next public meeting in opposition - Co-Chairs are Brad Horrocks (Uintah County Commissioner) and Lynn Sitterud (Emery County Commissioner)

Subject: FW: Rio Blanco County COVID-19 Weekly Update
Attachments: Weekly Report Card 2.1.22.pdf; RBCpublicHealth-vaxtestcomboad (2).pdf

COVID-19 Weekly Update, Tuesday 2/1/2022

Please visit <https://rbc.us/606/COVID-19-Updates> for the most current COVID data and trends available for RBC.

Total Cases to Date: 1,669
Meeker Active: 59
Rangely Active: 39
Hospitalizations in the last 14 days: 2
Total Hospitalized: 127
School District Meeker: 12
School District Rangely: 7
Deaths: 12

* Please note isolation and quarantine guidelines have been updated by the CDC. The following links direct you to the CDC and CDPHE websites that outline the new guidance. In summary, isolation and quarantine periods have been shortened with a mask component.

<https://www.cdc.gov/media/releases/2021/s1227-isolation-quarantine-guidance.html>

<https://covid19.colorado.gov/isolation-and-quarantine>

Testing:

*Please be advised that testing for COVID-19 is recommended for all symptomatic individuals (please see CDC website for list of symptoms), and all individuals who are exposed to a known case. It is advised to test 5 days after your last known exposure, or as soon as possible after you begin to develop symptoms. Testing is now available *without an appointment*, drive-up at the following times at public health in Meeker and Rangely:

***New schedule beginning January 3rd, 2022:**

Meeker: Monday, Wednesday and Friday 10am-11am, Thursdays ONLY 10am-2pm. Rapid tests not available on Thursdays.

Rangely: Monday 1pm-2pm, Wednesdays 10am-2pm, and Friday 9-10am. Rapid tests not available on Wednesdays.

***Please note Affinity testing available on Wednesdays in Rangely and Thursdays in Meeker yields PCR result with an average of <24 hour turn around.**

***Please see the following link for information about Colorado's at-home testing program:**

<https://covid19.colorado.gov/covid-19-testing-at-home>

Or visit <https://www.covidtests.gov/> for federal at-home testing info

***Please note at-home testing supplies may not be available based on current federal and state allocation.**

Travel Testing is available at RBC Public Health. We offer same day rapid molecular testing for \$45. Please check travel requirements for your specific destination.

Please note, employers should not require a positive employee to provide a negative COVID-19 test result or healthcare provider's note to return to work. Employees with COVID-19 who have stayed home can stop home isolation and return to work when they have met one of the sets of criteria found [here](https://www.cdc.gov/coronavirus/2019-ncov/community/general-business-faq.html#:~:text=Employees%20should%20not%20return%20to,to%20return%20to%20work). For additional information about employer recommendations for testing and return to work criteria, please visit: <https://www.cdc.gov/coronavirus/2019-ncov/community/general-business-faq.html#:~:text=Employees%20should%20not%20return%20to,to%20return%20to%20work>.

Vaccinations:

Vaccinations for COVID-19 (5 and up) and Flu available - All Insurance accepted. COVID-19 vaccines are FREE of charge. **Booster doses are now available for anyone in Colorado over the age of 12, as long as 5 months have passed since initial MRNA series or 2 months since initial J&J dose.**

Walk-In Clinics (no appointment necessary):

Meeker: Thursdays, 12:00 - 5:30 pm (Meeker Public Health Office)- 200 Main St (Fairfield Center)
Rangely: Wednesdays, 12:00 - 5:30 pm (Rangely Public Health Office)- 101 E Main St (across from the library)

***Please call to schedule an appointment for all other vaccines, including shingles, pneumonia, and childhood immunizations. Walk-ins for flu shots are welcomed on other days based on nurse availability.**

Other Clinic Locations and Times: Pioneers Medical Center Walk-In Clinic: Tuesdays and Thursdays, 9:00 - noon and 2:00 - 4:00 pm (please call to check for specific vaccine availability)

To: <rangelyreview@gmail.com>

I just enjoyed looking over and reading Issue #6 of the Rangely Review. Thank you for posting this, it is fun even for far-away old timers such as myself to read what is going on in our favorite hometown.

I had to smile when reading about the installation of the tower or facility on Mellen Hill -- "Microwave links were established on Mellon Hill and the roof of Town Hall to provide a direct connection to the State Digital Trunk Radio System (DTRS)."

This brought to mind the old TV relay towers that used to stand on Mellon as the last link to bring TV from Salt Lake City, Utah to Rangely in the days of my youth (1960's). We always knew what the weather would be, a day or two before it arrived -- though we only got Utah local news!

I can remember my father, up on the roof of our home on Cottonwood Drive, muscling a TV antenna into place and then visually pointing it toward the distant Mellon Hill, as my mother and/or we kids ran inside and back to confirm when we had the best reception in place!

Here's a drawing depicting that long-ago event.

Thank you again for the Rangely Review...

The Old West

Steak & Shrimp Dinner

When: February 19

Time: 7 pm - 9 pm

Where: CNCC Colorado Room

Single Ticket: \$60

Table: \$350

Please note Chamber members are given first dibs on tickets.
Should there be left over tickets, they will go on sale to the
general public January 10, 2022.

Chamber Membership for 2022 must be paid before purchase.

Please Contact the Chamber at

970.675.5290 or

rangelychamber@gmail.com

255 East Main Street, Rangely, CO

to purchase tickets or with any questions!

Due to crab prices being \$50 a pound we had to switch it up for a more affordable option for our members. We hope you will join us for a fun filled evening with great food!

RANGELY AREA CHAMBER OF COMMERCE
