GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified <u>Public Input</u> and <u>Public</u> Hearing portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. *Announce your name* so that your statements can be adequately captured in the meeting minutes.
 - ii. Please keep your comments to 3-5 minutes as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

Town of Rangely Council Members,

The Rangely Area Chamber of Commerce will be hosting Butch Cassidy's Wild Bunch Days June 7th-9th. This is an exciting new event that the Chamber has added to its lineup.

We will be hosting a street dance with many other activities the night of June 7th at the Rangely Automotive Museum. This will be ran very similar to the ROAR welcome event held a few weeks ago. Attached you will see the area to be fenced off with one entrance and exit point. All those who would like to purchase alcohol will be carded and a wrist band will be placed on those individuals.

We would also like to request to the selling of alcohol at Columbine Park on June 8th for our many rodeo type events, Dutch oven cook-off and live concert. The park is fenced in, please see the attached layout of the park to show where alcohol will be sold. We will use the same carding process and wrist bands at this location as well.

Your support is always appreciated and thank you for all that you do.

Sincerely,

Candra Robie

An Innovative Business Support Program for Local Businesses and Entrepreneurs

WHAT IS THE RDA?

RDA

The RDA is an urban development organization established in 1992. The goals and objectives of the RDA are to undertake programs and activities for the elimination and prevention of blight areas in the community. Such programs and activities, among other things, shall lead to the revitalization and growth of the business district, create an atmosphere that fosters entrepreneurship among local businesses and residents, and as a final goal the increased health and prosperity of the entire Rangely community, all in cooperation with the private sector.

RARE, is an innovative, strategic business support program designed by the RDA to facilitate sustainability and expansion of existing businesses and job growth. The program also includes fostering of entrepreneurship among local businesses and residents.

RARE was created to incentivize businesses and entrepreneurs as we transition towards a diversified economy due to the decrease and possible elimination of the fossil fuel industry. The program embodies strategies outlined in the Town's economic action plan which was developed to guide the community's diversification process.

RARE is designed to insert capital as well as technical assistance to businesses and entrepreneurs as we work together to create economic resiliency.

Retaining, attracting, rebuilding and expanding businesses within the Rangely community diversifies the local economy, by sustaining businesses and entrepreneurship. The RARE Program will play an essential role in the diversification process.

As a Tier 1 Community within the Just Transition Program, Just Transition Funds align perfectly with the RDA's goals as we move toward preserving and increasing local employment, economic resiliency and stability.
