

Town Council Packet January 10, 2023 @ 7:00pm

GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified <u>Public Input</u> and <u>Public</u>
 <u>Hearing</u> portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. *Announce your name* so that your statements can be adequately captured in the meeting minutes.
 - ii. Please keep your comments to 3-5 minutes as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

12. Supervisor Reports

- a. Don Reed, Michael Dillon, and Emily Templeton Don reported to the council that he would be retiring at the end of the year, and the Michael Dillon would take over at the water treatment plant and Emily Templeton would take over at the wastewater treatment plant. Don stated that he planned on staying in Rangely. Don introduced Michael and Emily to the council. Michael stated that he started as a seasonal for the Town. Michael sated that he started in the gas department and the shortly after split between the utilities department and gas department. In August of 2015, Michael went to the utilities department full time and since that time has attained all licenses that are required. Emily stated that she started to work for the Town in 2016 and has also attained all licenses that are required. Emily stated that she has been working with Jocelyn on the Headworks project. Michael reported that Timberland was able to connect the SCADA computer to some of the pumps at the water treatment plant and discovered that one of the VFD's has failed and is obsolete and there is no support for it and will be getting a replacement. Sludge has been removed from the back wash pond. CDPHE came and did an inspection of the water plant for the DOVE program. Michael also noted about the settlement issues at the water plant and SGM has came to look at it.
- **13. Reports from Officers Town Manager Update** Lisa reported that the budget is done. There were some capital projects that were taken off. The Police Department K9 vehicle has been totaled, CIRSA will pay out. Looking at making a purchase from GARCO to replace. Jeannie has been working hard on the Discover Rangely website and will hopefully be going live soon. Lisa reported that starting January 1, 2023, the State of Colorado will be imposing a Carry out bag fee for plastic bags.

Project status/Current Issues:

Crew Activities:

- Utility locates
- Vehicle and equipment maintenance
- Take skid steer tires to Grand Junction for replacement and fill with foam
- Sand streets
- Snow removal
- Clean shop and office
- Plow a little snow

Personnel issues:

Notable Issues/events:

<u>Water/Wastewater – Submitted by Michael Dillon/Donald Reed</u>

Project status/Current Issues:

Water Treatment Plant:

- As of the end of December, we're sitting at about 148% snowpack, which is really good.
- Average daily water output from the plant in November was 261k gallons.
- Monthly compliance reports were sent to state with no violations being noted.
- The MicroClor was cleaned and is still working great since the repairs.
- Ducey's quoted us around \$19,000 for a new VFD for Pump #3. This was put in the contingency budget for 2022 but won't arrive until early spring.
- After going through all of the Rotork valve actuators that were submerged in water in the flood back in early September, it was decided that several of them needed to be either repaired or replaced. Given how old the existing Rotork actuators are, and with obsolescence of the equipment on the horizon, we opted for a total replacement of the damaged actuators.
- We are still in the process of reviewing data for the DOVE program that is to be implemented sometime this year. We have a tentative date of 1/13 to have all our data submitted.

Wastewater Plant:

- No further construction has been completed on the Headworks project. Mueller is expected to be back in January.
- Worked on jetting sewer lines as yearly maintenance program.
- State Compliance Reports were sent out with no violations.
- Emily has remained in communication with a company who wants to do a trial run of WWTP treatment in our collection system.

Utility Department Activities:

- Had 5 locates, meter reads and rereads, several work orders, high/Low usage report.
- Utilities Department has helped PW with plowing snow.

- We brought Brent Cantrell back on for a month to help with general housekeeping and snow removal while he is back from college.
- Joe is scheduling to take an exam for his Collections 1 license.

Personnel issues:

- Fernando, our newest employee, quit on December 13th. We are going to begin the process again of searching for an employee.
- Don Reed retired, and his last day of work was 12/29. As his replacement, Michael Dillon has assumed the role of supervisor, along with Distribution and Water Treatment ORC. Emily Templeton has assumed the role of Collections and Wastewater Treatment ORC.

RE: Kum & Go liquor license renewal

Date: November 30th 2022

I have reviewed the application for Kum & Go liquor license. There have been no citations and no violations at this business since the last renewal. I see no reason not to reissue their liquor license.

Chief Hamblin

FW: Thanks from the TANK

Photo by Michael Van Wagoner

A big thank-you from the TANK to everyone who pitched in to make our end-of-year campaign so successful. With an added push from the good folks at Colorado Gives Day, we raised more than \$22,000 for the coming 2023 season!

Stayed tuned for details about our bigger-than-ever Solstice Festival, June 23-25, our new record label, Round Sound, and its first release, Slow Beethoven, and the other concerts and residencies coming up this summer.

Our free Open Saturdays start May 6. You can <u>book your own</u> 2023 TANK sessions now! And you can record remotely in the TANK anytime, even this winter, when it looks like it does in the photo above.
