

Town Council Packet

April 27, 2021 @ 7:00pm

Arbor Day 04-22

GUIDELINES FOR PUBLIC INPUT

Public Input is a vital and important portion of every meeting and will be permitted throughout the meeting, but according to the following guidelines:

- a. Public input is allowed during the Agenda identified <u>Public Input</u> and <u>Public</u> Hearing portion of the meeting.
 - i. If you would like to address the meeting during the appropriate times, please raise your hand and when called upon you will be asked to come to the podium. *Announce your name* so that your statements can be adequately captured in the meeting minutes.
 - ii. Please keep your comments to 3-5 minutes as others may want to participate throughout the meeting and to insure that the subject does not drift.
- b. Throughout the meeting agenda calls for public input will be made, generally pertaining to specific action items. Please follow the same format as above.
- c. At the conclusion of the meeting, if the meeting chair believes additional public comment is necessary, the floor will be open.

We hope that this guideline will improve the effectiveness and order of the Town's Public Meetings. It is the intent of your publicly elected officials to stay open to your feelings on a variety of issues.

Thank you, Rangely Mayor

- 1. Call to Order 7:00pm
- **2. Roll Call** Andy Shaffer, Trey Robie, Tim Webber, Alisa Granger, and Keely Ellis present. Rich Garner and Luke Geer present via phone
- 3. Invocation Led by Tim Webber
- 4. Pledge of Allegiance Led by Lisa Piering
- 5. Minutes of Meeting
 - a. Discussion and Action to approve the minutes of March 23, 2021. Motion made by Keely Ellis to approve the minutes of March 23, 2021, second by Alisa Granger. Motion passed
- 6. Petitions and Public Input Braydin Raley, Addison Scott, and Courtney Files, 7th grade students, presented their project for Arbor Day. Braydin indicated that they marketed the event in their school and had flyers made to hang in the community. Braydin stated that the whole 7th grade is planning on attending. Courtney stated that the event will take place on April 22nd at 2pm in front of Prater's Plumbing. The Rio Blanco Water Conservancy District is donating seedlings for the prizes for the competitions. Addison stated that the competitions were a Poster competition, a Tree Naming competition and Poetry competition. There will be prizes for the competitions. The age groups are 1st-2nd grade, 3rd-5th grade, middle school, and high school. There will be a bake sale to help buy the prizes. Some prizes have been donated as well. They would like to raise \$50 for the prizes. Braydin said that they are part of a Change-Makers class that has them look to see if there is a way for them to help in their community.
 - Frank Huitt wanted to update the council about the Freedom March taking place on June 24th. Will hold a BBQ at the park. Wanted to show appreciation to our First Responders.
- 7. Changes to the Agenda Added item 15f under New Business.
- 8. Public Hearings 7:10pm
 - a. FIRST Public Hearing for ORDINANCE 694 an Ordinance Designating the Land Use (Zoning) and Amending the Town of Rangely Zoning Map as it pertains to 2828 Shale Drive a Change of Zoning from Industrious to County Zone This is the United lot next to Buck 'n Bull and they would like to sell it to a private land owner and would like to have it changed from Industrious to County, to be used for a lot for a home. There have not been any Industrious users interested, Planning and Zoning didn't see it as a problem. It is considered County due to not having all services by the Town.

9. Committee/Board Meetings

- a. Community Outreach April 5th Big discussion at the meeting was the district to look at HVAC systems to see if there is a way to cost share on someone coming to Rangely, instead of each district/entity. RB Water Conservancy District gave a report on upcoming reservoir and all the districts gave an update/report. Jeannie gave an update on Marketing, the Chamber gave an update on all upcoming events, Matt indicated that they will be having Prom and will have an outdoor graduation. Tim talked about the Rec. Center's upcoming events and the Hospital received designation as a Rural Hospital and opening their clinic to walkins. Health Fair has been going this week. The pest district said they will only be able to spray once and the Town will in conjunction. CNCC indicated that they faired well at the Foundation dinner. Amorette happily reported that they can take their masks off for the summer reading program.
- 10. RBC Commissioner Reports Ty Gates reported that the Rally Colorado race is finishing up getting permits. The Commissioners have appointed Don Steerman as the interim County attorney. Approval of a promotion to a Rangely Road and Bridge employee. Moving forward with a bridge replacement. Passed a Resolution opposing ballot initiatives 16 that is in order to protect our Ag industry. Also passed another Resolution to oppose the Federal 30x30 land preservation goal. Had a call with Mark at the Cemetery district to discuss how the two cemetery districts can collaborate and work together.

11. Council Reports - None

12. Supervisor Reports – See Attached

- a. Jeff Lebleu Crews have been called out to some water pressure problems, helped the utilities department determining why. Most were due to Pressure Reducing Valves that residents were not aware of. Installed signs and have started washing streets. Hauled road base to Shale Dr to prep for Mag Chloride. Had some complaints from Airport Road, hauled millings to patch the holes. Met with Russ Martin to discuss Kennedy path. Relocated the curb stop at the Library due to the widening of the sidewalk project. Continually trying to update the curb stop book. When Jeff met with Russ Martin, they decided that they can save about 800 ft of asphalt of the lower portion of Kennedy. The upper sections will have to have the asphalt pulled out, which works best due to two culverts that will need to be put in due to drainage. Asphalt prices are increasing but looks to stabilize thru the summer. The La Mesa project is to replace 1600 ft of 8" water line, and 3 fire hydrants. Most of the materials that will be needed for the project will probably go up 10%. DOLA will not approve the grant until closer to the time of the project and we informed DOLA about the price increase in materials and will wait to see what DOLA grants us.
- 13. Reports from Officers Town Manager Update Lisa asked the Arbor Day presenters to speak about their project (see Petitions and Public Input). Lisa reported that CEBT is providing a service for employees that have either retired or moved on, that are have a hard time finding insurance, they will help them free of charge. The State of Colorado have their GIS system in place for Sales and Use tax locating. On April 20th and 21st there will be a joint meeting for the Colorado Water Conservation District and the Colorado Water Project Enterprises. Alden stated that he will send out notices for the Zoom meeting. The first day will have a presentation on the recovery program for endangered fish. The second day they will discuss the river storage project updates. The water conservancy district will have a meeting on April 26th to talk about the rural water project, it will be held at the Fire Training Facility. AGNC is meeting April 21st. The Town will be doing the Western Slope Oil and Gas project on April 30th at the Community Gardens. Lisa stated that they met with Renee and made a list of what needs done. Raw water has been turned on for all the users. Keller, the new police officer, is at the refresher course. We received out donation for the new K-9, thanks to the contribution by Frank and Grace Huitt. The dog is in training and then will come here top train with his new handler. Working on projects. Jeff will begin on the Main Street project. Gas Department will be doing gas meter replacements.

14. Old Business

15. New Business

- a. Discussion and action to approve the March 2021 Check Register Motion made by Trey Robie to approve the March 2021 Check Register, second by Keely Ellis. Motion passed
- b. Discussion and action to approve Resolution 2021-02 a Constitutional Sanctuary Resolution of the Town of Rangely Board of Trustees Elaine Urie, Dan Eddy, and Susi Berardi were present to discuss the Resolution. They stated that they want the Constitution to be upheld, and they wanted to do something about it. Elaine indicated that they will also be meeting with the county for them to also approve a Resolution for the county. The Resolution is to help protect our rights. Susi stated that they felt it was important to start with our Town. Motion made by Trey Robie to approve Resolution 2021-02 a Constitutional Sanctuary Resolution of the Town of Rangely Board of Trustee, second by Tim Webber. Motion passed
- c. Discussion and action to approve Resolution 2021-03 a Resolution reasserting the rights of the Town of Rangely and its residents and condemning the unconstitutional limitations imposed upon their freedoms by the Governor of Colorado. Susi Berardi stated that the restrictions have caused much devastation to the businesses. We want to show our support for both sides. This resolution would indicate that the Town would not follow the Governor's restrictions. Motion made by Tim Webber to approve Resolution 2021-03 a Resolution reasserting the rights of the Town of Rangely and its residents and condemning the unconstitutional limitations imposed upon their freedoms by the Governor of Colorado, second by Trey Robie. Motion passed
- d. Discussion and action to approve Grant Application to CoBank's Sharing Success program via Moon Lake Electric in the Amount of \$7,500 for Lighting and Sidewalk Ramp Improvements Janet Miller stated that all the lighting would replace the current lighting, emergency exits, and all of the common area at White River Village. The Grant was brought to us by Alan Ducey. Jeff LeBleu stated that the ADA ramp at White River village are not up to code. Moon Lake matches half of the grant. Motion made by Tim Webber to approve Grant Application to CoBank's Sharing Success program via Moon Lake Electric in the Amount of \$7,500 for Lighting and Sidewalk Ramp Improvements, second by Keely Ellis. Motion passed
- e. Discussion and action to approve AARP Grant Application to Co-Fund the Kennedy Drive Path Surface Improvements in the amount of \$10,000. Motion made by Tim Webber to approve AARP Grant Application to Co-Fund the Kennedy Drive Path Surface Improvements in the amount of \$10,000, second by Luke Geer. Motion passed
- f. Discussion and action to approve MOU partnering with DOLA, OEDIT, CDLE and the nonprofit Community Builders with our Northwestern Regional Community Teams to develop economic recovery and resiliency plans specific to our region and roadmap implementation there will be no matching requirements at this time. Lisa stated that this will help put together the Teams to help develop economic recovery and resiliency plans specific to each region. Motion made by Trey Robie to approve MOU partnering with DOLA, OEDIT, CDLE and the nonprofit Community Builders with our Northwestern Regional Community Teams to develop economic recovery and resiliency plans specific to our region and roadmap implementation, second by Alisa Granger. Motion passed

TO: Mayor and Town Council

From: Chief Hamblin

RE: Main Street Pub license renewal

Date: April 19th, 2021

I have reviewed the application for Main Street Pub liquor license renewal. I find no reason this should be denied. The Police Department has had no calls for any liquor violation since the last renewal.

Chief Hamblin

16 – Informational Items

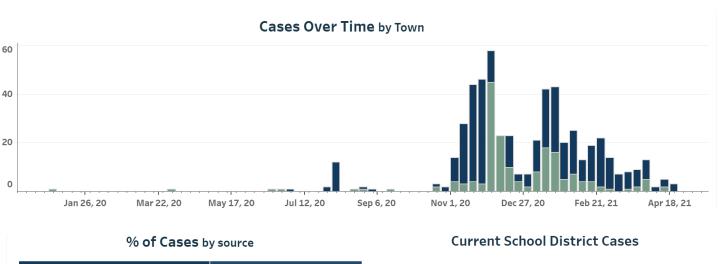

Rio Blanco County COVID-19 Metrics, 4/12-4/18:

New cases: 5
Test positivity: 2.13%

New Hospitalizations: 0

Current CDPHE Dial Level: Green

Weekly Snapshot as of April 20th, 2021:

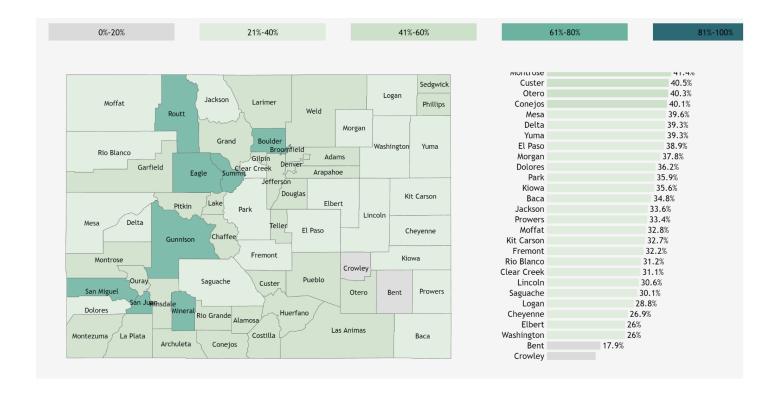

EPI summary: This past week identified minimal household and community spread in both Meeker and Rangely, with a resolution of all school district cases.

Immunizations 4.18.21

We are working with local hospitals and the state immunization database to collect the most accurate, real time vaccine statistics for our county. Some numbers are estimates based on reporting delays. Current stats:

- Total vaccinations through RBC public health: 2,600 (~1481 first dose, ~1119 booster)
- Total vaccinations reported by healthcare facilities: 485 (277 first dose, 208 booster)
- Total patients vaccinated with at least one dose in RBC (reported as of 4.12.21): 1,758
- Approximate percent of eligible population vaccinated with at least one dose: 31.2%

Single Ticket Price - \$85

Table Price - \$495

To purchase your ticket please come by the chamber or give us a call 970.675.5290

Please request a prime rib ticket if you do not plan on eating crab.

Due to COVID and crab prices we had to change our prices.

We appologize for the inconvenience.

Colorado River District Funds Five West Slope Water Projects

Board to consider two additional project proposals during April meeting.

The Colorado River District committed \$195,441 in funding to water projects across the West Slope in its latest round of funding for partnership projects.

The Colorado River District's Board of Directors will consider two more funding requests totaling an additional \$204,134, at its upcoming Quarterly Board Meeting.

The board will meet over the course of two days, from 8:30 a.m. to 3:15 p.m. Tuesday, April 20 and from 8 to 10:25 a.m. Wednesday, April 21. The meeting will be held virtually using Zoom. The public is welcome to attend. Please note that the Board is expected to enter executive session soon after the meeting starts, from 8:35 to 11 a.m., on Tuesday. The board will consider an application to improve Fish Creek Reservoir #2 in the Gunnison River Basin and an application to fund 2021 releases from Elkhead Reservoir and additional data collection in the Yampa River Basin. The projects are expected to go before the board around 2:25 p.m. on Tuesday, April 20. For more information about the program, visit www.coloradoriverdistrict.org/partnership-project-funding-program. Below is a summary of funded projects as well as expected additional highlights of the upcoming board meeting.

Funded projects:

Grizzly Creek Post Fire Water Quality Monitoring Project Phase 1

Garfield County

\$50,000 in funds awarded

Project proponent: Middle Colorado Watershed Council

This project will establish a new network of water quality monitoring equipment and data collection above the Roaring Fork Confluence on the Colorado River. This monitoring is urgently needed to understand conditions in the Colorado River and its tributaries as the watershed is expected to see increased sediment, debris flows and possible flood events in the upcoming runoff season. This monitoring effort will set the stage for long-term analysis of the effects of fire's water quality impacts for downstream communities and agricultural producers.

2021 Upper Gunnison River Restoration and Irrigation Improvement

Gunnison County

\$47,241 in funds awarded

Project proponent: Upper Gunnison River Water Conservancy District

This project will combine two irrigation diversions on the Gunnison River into a single point of diversion and restore a segment of the Upper Gunnison River. The improved infrastructure will allow water rights holders to divert water during both low and high flows. Additionally, a return structure will be constructed to return unused water to the Gunnison River and allow young kokanee salmon to return to the river.

Grand Valley Irrigation Company Lateral Ditch ML47 Headgate and Ditch Piping Improvement

Mesa County

\$38,200 in funds awarded

Project proponent: Lateral Ditch ML47, Inc.

This project will improve a headgate and ditch that diverts from the Grand Valley Irrigation Canal, repairing cracks in the ditch's concrete lining and installing a pressurized system of pipes. These improvements will support the availability of water for agricultural and residential users and increase efficiency in the system by reducing water loss. The project is also expected to reduce the amount of salt flowing from the ditch into the Colorado River, which occurs when the ditch floods.

Kendall Dam Rehabilitation

Mesa County

\$35,000 in funds awarded

Project proponent: Kendall Reservoir Company

This project funds the rehabilitation of the dam at Kendall Reservoir, also known as Kinney Creek Reservoir, which is jointly owned by the reservoir company and the U.S. Forest Service. The rehabilitation will improve the condition, safety and useful lifespan of the dam. This funding will support the first phase of improvements, including earthwork, brush cleanup and dam build-up. Ultimately, the rehabilitation will benefit agricultural users with a reliable water supply and provide outdoor recreation and angling opportunities on the reservoir.

Blue River Integrated Water Management Plan Phase 2

Summit County

\$25,000 in funds awarded

Project proponents: Blue River Watershed Group and Trout Unlimited

In 2019, Trout Unlimited and the Blue River Watershed Group joined to develop a basin-wide integrated water management plan for the Blue River Basin to enable consumptive and non-consumptive water users to understand and quantify current and future use. Phase 2 of this management plan builds on progress made during Phase 1 by targeting several areas in need of more data and detailed analyses.

Highlights from the upcoming meeting:

In addition to the funding requests, the Board of Directors will receive updates or take action on the items below:

- River District staff will provide an update on Drought Contingency Planning and Demand Management.
- The board will receive Colorado River Basin hydrology forecasts.
- Staff will present an update on East Troublesome Fire Recovery.
- Tom Chart, Director of the Upper Colorado River Endangered Fish Recovery Program will provide an update on the program. Federal funding authorization for the program is currently slated to sunset in 2023.
- T. Wright Dickenson will present on Green River/Flaming Gorge Operations.
- The board will hear an update on the White River Storage project from Director Alden Vanden Brink.
